## Dedication

We, the Senior Class of 1970, dedicate the Blackhawk to the custodians: Clarence Schindel, Harry Bundy, Lawrence Keehn, Jim McLain, and Charlie Pridie. Those custodians who have served this school for many years, as well as those who have helped in the past couple of years, have gained respect from the students because of their friendliness and cooperation in fulfilling their duties.

The Senior Class proudly dedicates this Blackhawk to the custodians of Hinton Community School.

Mike Schenzel and Bob Nicks, also, assist the custodians with their duties.

## Student Council

The Student Council of 1969-70 had a very successful year. They worked hard to meet the request of the students. They sponsored many school activities. The biggest success was our first dance—which was Homecoming. The next activity was a Snowball Dance with a Queen. They also sponsored a Sweetheart Dance with a Sweetheart Princess and Prince. The last dance was in honor of the seniors which was a KLEM hop.

KING

QUEEN  
Jane E. Vondrak

"Oh come on!"

FRESHMAN ATTENDANTS: Randy Riediger, Judy Hardersen. SOPHOMORE ATTENDANTS: Curt Richards, Sue Frerichs. SENIOR ATTENDANTS: Steve Jones, Betty Stusse. KING: Kieth Tullis. QUEEN: Jane E. Vondrak. CROWN BEARERS: Eddie Vondrak, Sherri Petty. SENIOR ATTENDANTS: Sharon Riediger, Steve Saunders. JUNIOR ATTENDANTS: Deb Arndt, Dan Pavlik.

On October 3rd, Homecoming 1969 took place. "A Time for Us" was the theme, and the days preceding proved this. That day the whole student body was waiting impatiently to hear who would be pronounced queen and king. That tense moment was broken when Jane E. Vondrak and Kieth Tullis were crowned queen and king. That night there was a football game, followed by a dance at the community hall. Music was provided by the "Instant Blues Machine", topping the evening off with "A Time for Us". During the next few weeks after that, everyone still shared moments of memories of Homecoming 1969.

Each of the high school classes made a project for Homecoming. The projects were on display at the south end of the football field during the bonfire and snake dance, and during the football game, Friday night. The class projects were: Senior project, first prize, "A Time for Us to Smash the Rockets". Junior project, "A Victory Time Clock". Sophomore project, second prize, "Derail the Rockets". Freshman project, "Mow 'Em Down Hawks".

A great amount of effort was put into these projects to make a successful Homecoming.

The Homecoming activities started out on Thursday evening, October 2, with a snake-dance. It began at school and ended in the ball park where the bonfire took place. A pep rally was held around the fire. On Thursday afternoon each class presented skits that were judged by faculty and members of the community. Juniors presented the winning skit, "A Time for Change."

# Junior-Senior Banquet & Prom

"Memories" was presented as the theme of the Junior-Senior banquet and prom, on April 18, 1970, at the Warrior Motor Inn. Everyone enjoyed a steak-dinner in the Cotillion and the dance afterward in the East Room. Before the meal was served, Junior class president, Dan Pavlik, welcomed everyone to the banquet. Senior class president, Steve Jones, delighted the guests with a humorous thank-you speech, and the evening proceeded. After the meal, everyone moved to the East Room to dance to the music of the "Syndrome of Sound". The band topped the evening off by playing "Memories", dedicated to the Seniors. Even though the evening had to come to a close, and the night became just another memory, everyone enjoyed themselves, and the traces of memories are all that remain . . .

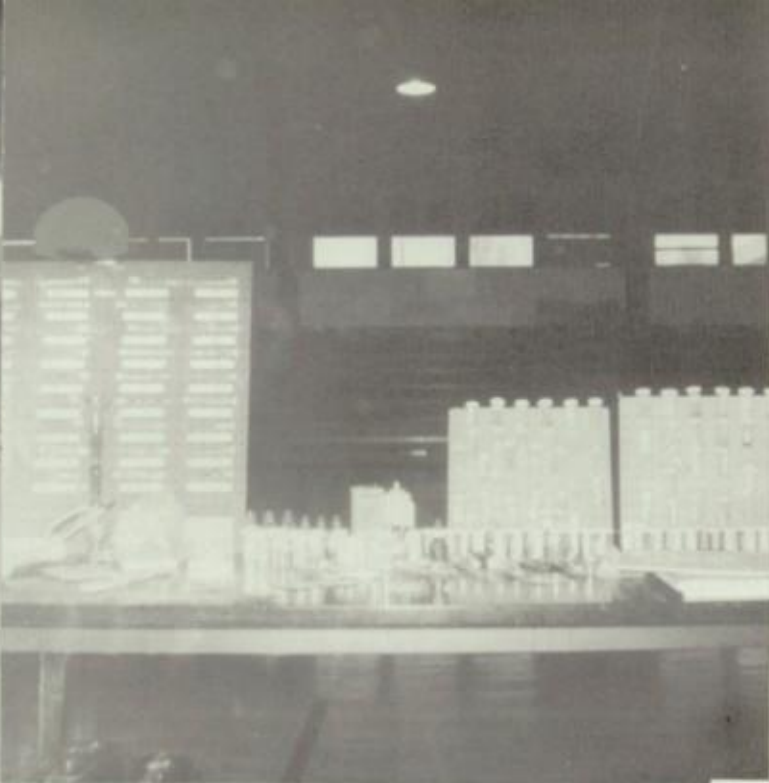

### TO THE SENIORS

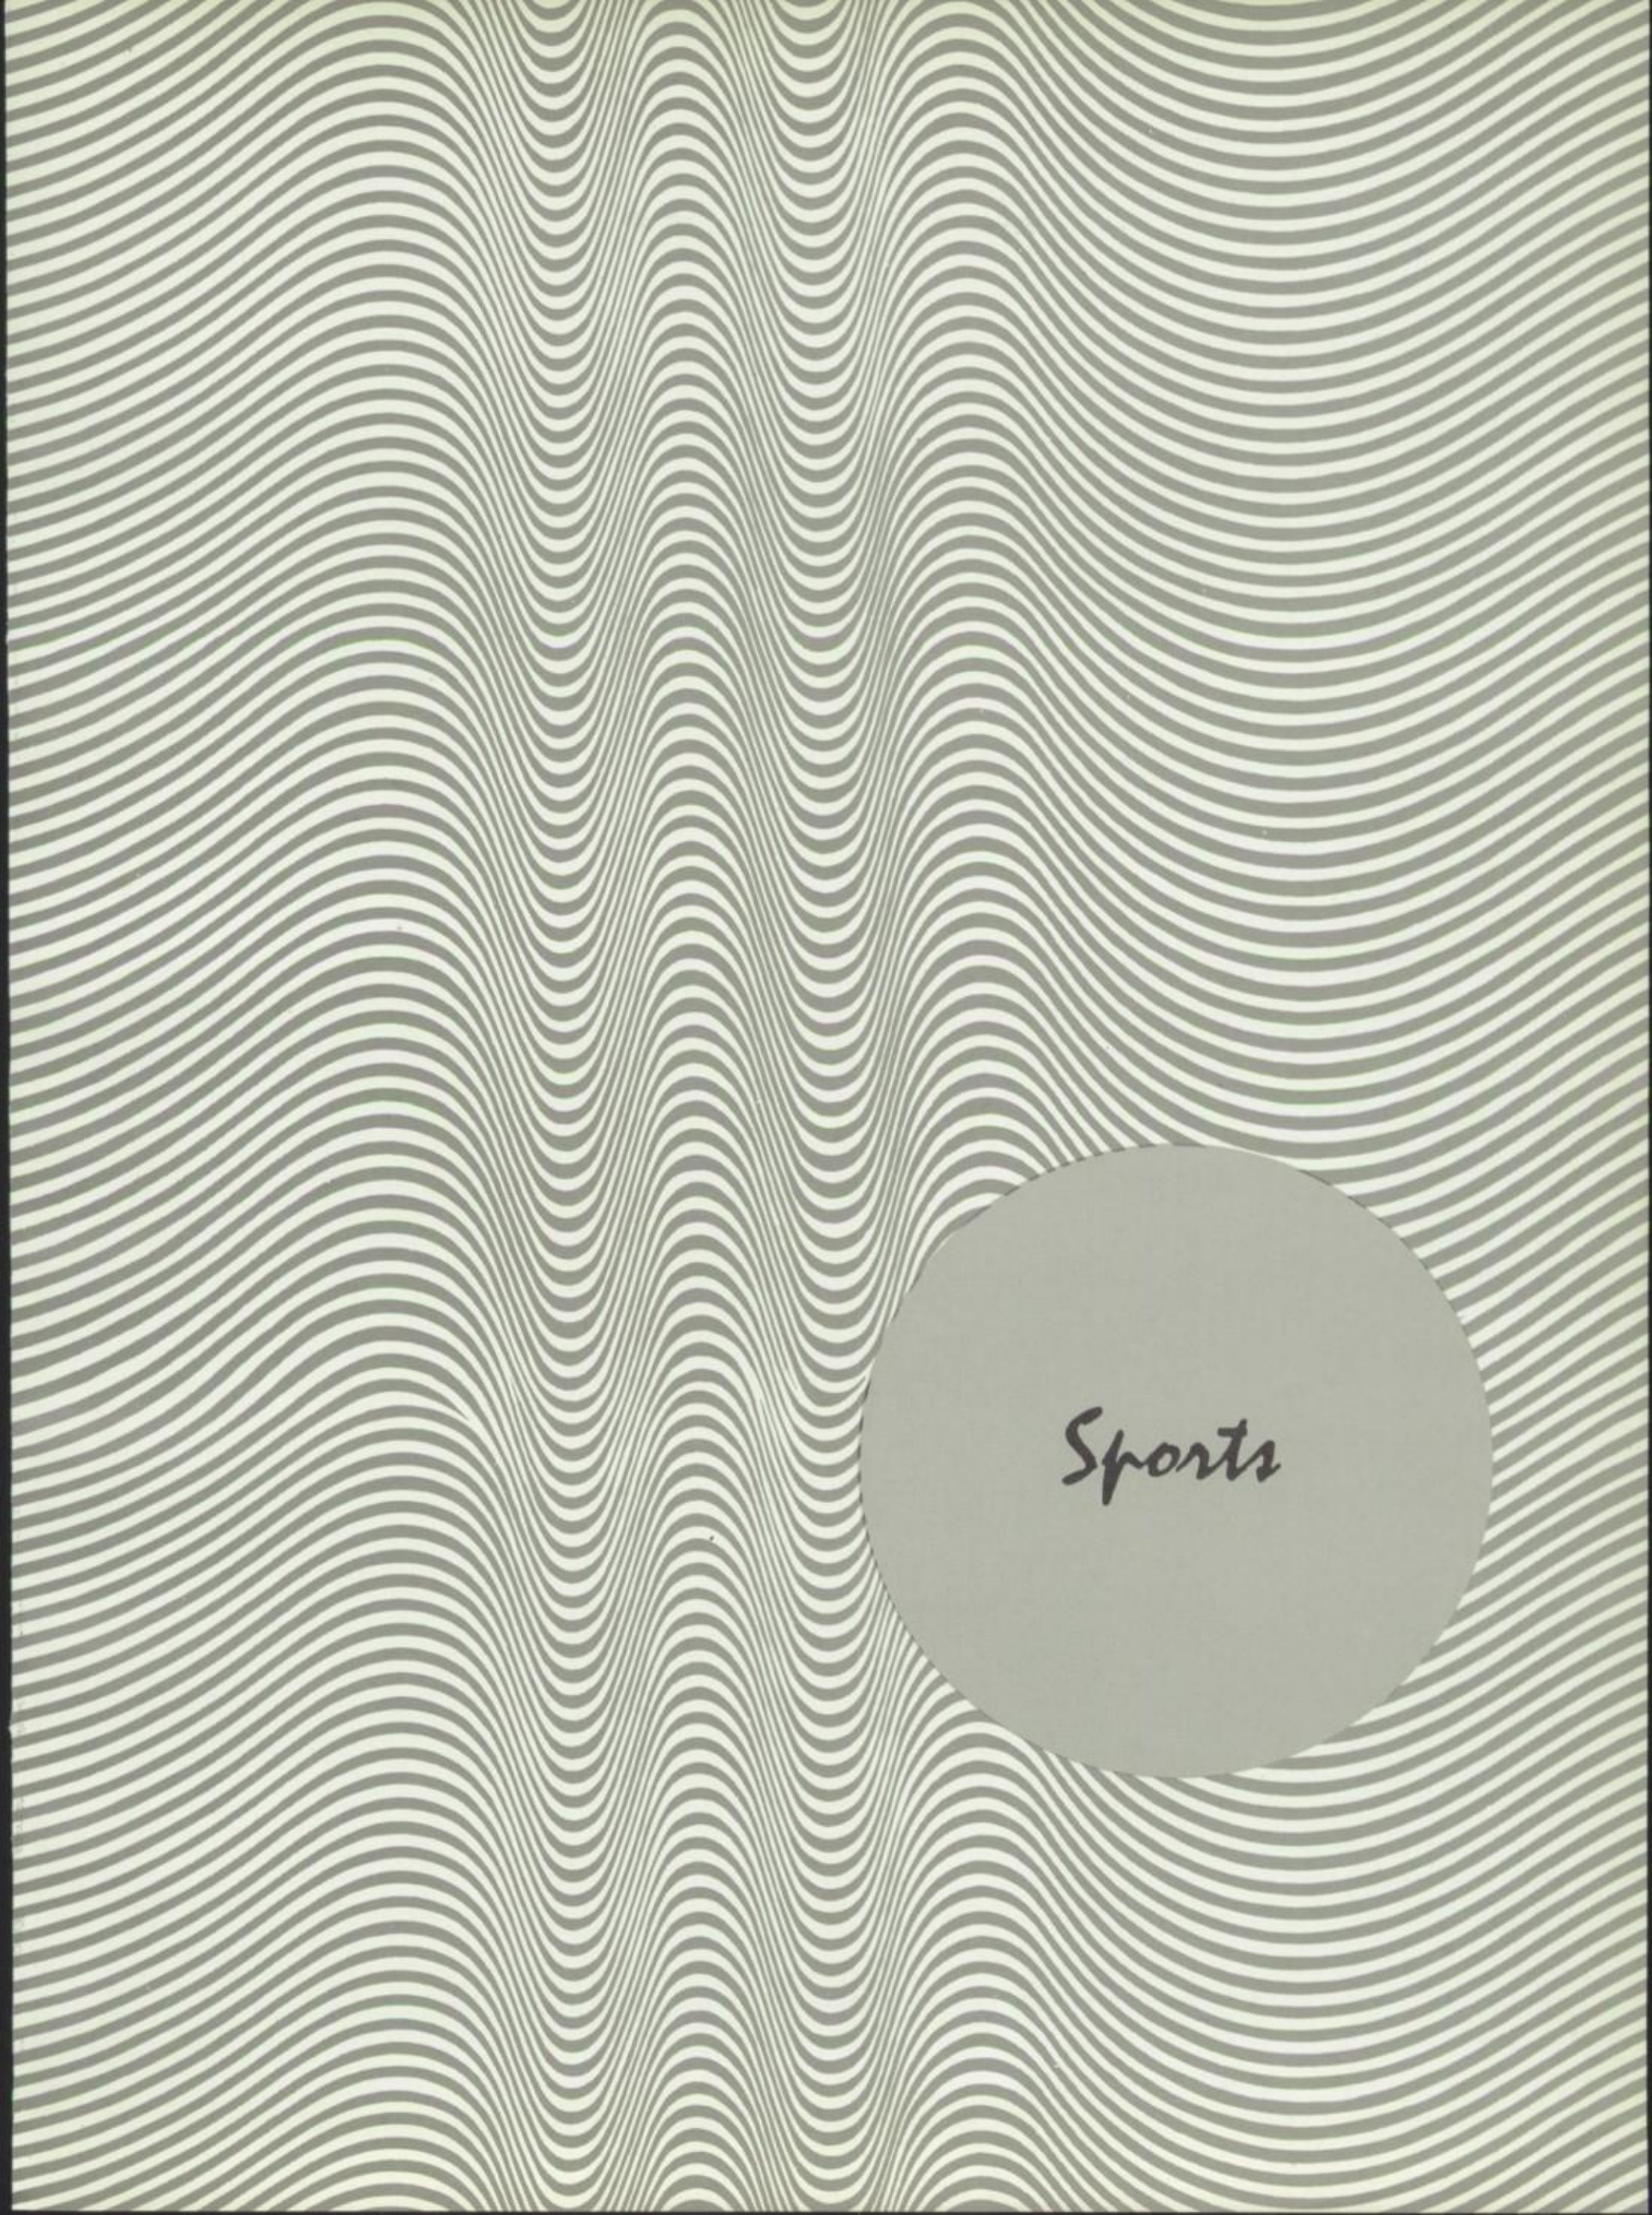

May the word of God direct you  
 To do the things you should—  
 To live your life unselfishly  
 To know and choose the good.  
 And may the richest blessings,  
 That Heaven can bestow,  
 Be with you now and always,

Our second year of football proved to be exciting with Mr. Garvis as head coach, and Mr. Shaw as assistant coach. The team put forth a lot of hard work, although none of the 9 games were won. The team is losing quite a few seniors; but if they keep up the efforts, they'll go far.

In the hurdle relay Judy H., Heidi, Kristy and Kathy placed in every event and showed that next year will be better. In hurdles alone Heidi placed well and should go far next year.

In field events all participants made a fine showing. Judy H. in the long jump, Judy K. in the shot and discus, Pixie in the softball, and Jeanne and Cheryl in the high jump.

Others that ran were Veronica, Brenda, Cheryl B. and Sue F. Good luck to them and all those that run in track next year.

Editor: Sue Muecke, Co-Editor: Delores Vehe.

Typing and Production: Kathy Johns, Delores Vehe, Jean Clarey, and Jane E. Vondrak, Sande Kovarna, Jan Brouwer, and Vickie Kuehn.

Editor: Sue Muecke, Sandy Krause and Jane M. Vondrak, Artists; Debbie Kovarna and Marilyn Held, Sport Editor.

The newspaper staff for the 1969-70 year worked hard toward a successful paper. Besides the Hilltop, the special feature of this year's staff was a publication of the HAWK-EYE in the LeMars Daily Sentinel. Through this publication, students of other schools, as well as students of Hinton, learned news of our scholastic and extra-curricular functions.

## Hilltop & Blackhawk Staffs

A lot of hard work and effort was contributed to make the 1969-70 yearbook worthy of its name, the Blackhawk.

Early in the fall, the staff attended a Workshop that was sponsored by the Inter-Collegiate Press at Storm Lake, Iowa. The things that were learned there proved to be helpful throughout the year.

With all the frustrations to cope with, and all of the many deadlines to meet, it seemed almost impossible that the annual would be finished on time.

Advertising, Tom Flannery; Typist, Jolyn Junck; Artist, Jane M. Vondrak, and Rhonda Casper, Proofreader.

Editor, Scott Saienga; Co-Editor, Brenda Riediger, Photographer, Julie C. Vondrak; and Assistant Editor, Jan Brouwer.

Business Manager, Debbie Kroeger; Artist, Sandy Krause; Miscellaneous, Mike Muecke and Kieth Tullis; Advisor Mrs. Bielenberg.

# LIBRARY CLUB

This year the library assistants joined the District Library Club. By joining district, the student librarians can see other school's libraries and get an idea of different ways the library can operate more effectively. The main purpose of the club is to give better library service. Recently the library had a Book Fair to create an interest in reading and to supply good books at a low cost.

Art Club consisted of forty creative thinkers who sent a 3' x 29' Christmas card to Viet Nam, took a trip to Joslyn Art Museum in Omaha, sponsored a speaker on drugs, decorated the library for Christmas, and other relevant activities.

It took special energy to belong to Art Club and earn the prized talisman. Perhaps the nicest thing about our Art Club experience was the growth of a creative spark that will glow in our heart for years to come.

# ART CLUB

# Future Teachers of America

Future Teachers of America was a new organization this year. Delegates attended a district meeting at Remsen-Union to get ideas for our chapter. With the receiving of our charter, the "Hawkeye" steadily grew. Our major project throughout the year was tutoring students who had difficulty in a subject. This proved to be very educational for the "teacher" as well as the student. Some members were allowed to conduct classes for teachers that were absent to receive an idea what it is like from the other side of the desk. We visited LeMars Central Junior High to learn about the modular scheduling system. We then went on to Westmar College and were allowed to sit in on different types of classes, according to our interests. Some interviews were taped with teachers and professors, with the tapes being given to the library for future reference. We traveled to Ames for the Iowa F.T.A. state convention and received a new insight into the meaning and purpose of F.T.A., as well as into the teaching profession. A Mental Health Career Day at Cherokee and a district planning meeting at Spencer were also included in our schedule. A campaign for new members for next year was organized, with every member making a poster. Our final project was a picnic for F.T.A. members and the people they tutored.

NOT PICTURED: Steve Jones, Jolyn Junck. Advisor for the F.T.A. was the guidance counselor, Mr. Meseck.
